

# ALASKA 2009 PROGRAM OVERVIEW

## Alaska — 2009 Preview

The Great Land of Alaska celebrates its 50th anniversary of statehood in 2009. And seeing its many attractions with Princess® is a great way to mark the occasion. We have an exciting variety of offerings for the season to make this popular region even more attractive. Join us for a 2009 Alaska escape, and you'll understand why readers of *Travel Weekly* magazine have named Princess "Best Cruise Line in Alaska" four out of the last five years.

**"SEE IT ALL" CRUISETOURS.** A cruisetour is the best way to see all of Alaska, from the majestic glaciers and inspiring mountains to the abundant wilderness and beyond. Every Princess cruisetour includes Glacier Bay National Park and at least two nights at one or both Princess lodges at Denali National Park. These comprehensive vacations combine a 7-day Voyage of the Glaciers cruise with an in-depth land tour for the best of Alaska by land and by sea.

**THE DENALI EXPERIENCE.** Only Princess offers two premier lodges at Denali — the Denali Princess Wilderness Lodge<sup>SM</sup> and the Mt. McKinley Princess Wilderness Lodge<sup>SM</sup>. And our exclusive Direct-to-the-Wilderness® same-day rail service gets you there a full day earlier than other options for more time in this must-see destination.

**OFF THE BEATEN PATH.** To see even more of Alaska, we have lodges on the Kenai Peninsula and Copper River, offering more options for unique experiences and memorable moments. And for the ultimate land/sea adventure, choose an Escorted cruisetour.

**8 SPECTACULAR SHIPS, 4 GREAT ITINERARIES.** We have eight ships sailing Alaska, from magnificent grand ships to our more personal smaller vessels. And you can select between four unique itineraries ranging from seven to 14 days visiting the Inside Passage and Gulf of Alaska's best coastal ports.

**SMALL SHIP CRUISING.** Join just 670 other guests for our thrilling Alaska Connoisseur Voyages on the small, elegant Pacific Princess® — 14-days sailing roundtrip from Seattle, and visiting eight ports including unique destinations like Kodiak, Seward and Valdez.

## 2009 Alaska Cruisetours

For the best, most complete Alaska experience, a Princess cruisetour is just the answer. Combine a 7-day Voyage of the Glaciers cruise with four to 10 additional days on land exploring Alaska's interior — with at least two nights at a Princess lodge at Denali National Park and stays in breathtaking destinations like Copper River, the Kenai Peninsula and more.

### DIRECT TO THE WILDERNESS®

This is the Alaska visitors most want to see. Your 7-day Voyage of the Glaciers combines with our exclusive Princess Rail service and multiple nights at our wilderness lodges at Denali National Park, introducing you to the magnificence of Mt. McKinley and the vast Alaskan interior. This same-day rail service between ship and lodge gives you more time to enjoy the wilderness of Denali.
